CAUGHT PASSING BAD BILLS.

Two Italians in Custody Said to Belong to the Bogus Silver Certificate Gang.

Capt. Schultz's men are confident they have run down some members of the gang of Italian counterfeiters who have been flooding the city with bogus silver certificates.

At midnight two men entered a store kept by Susan Leach at 261 Stanton street and purchased two checks, offering in payment a five-dollar silver certificate.

Mr. Leach suspected that the bill was bad and called in Policeman Donigan, who arrested the strangers and took them to the Union Market station-house.

The men gave their names as Antonio Buchion and Daniel Jerome. They were locked up and a report of the matter was made to Inspector Williams at Police Headquarters this morning.

The Report that He Had Purchased the Mackay Cable Strongly Denied.

A despatch from the Carson City (Nev.) Appeal, published here this morning, said that John Mackay has disposed of his cable to Jay Gould for \$11,000,000.

George G. Ward, General Manager of the Commercial Cable Company, said to an EVENING WORLD reporter that the Mackay cable had not been sold.

The representatives of Mr. Gould and Mr. Mackay had conferred in relation to an abatement of the war on rates. An agreement had been reached and a schedule of rates will be sent out from Boston in a few days.

Denials of the report were made by Mr. DeCastro, of the Cable Company, and by Dr. Norvin S. Green, President of the Western Union Telegraph Company.
